

2023-2024 GRANT FUNDING

Application Instructions

DUE DATE: June 15, 2023 5 pm

Introduction

Kings United Way is pleased to announce the opening of the 2023/2024 application period to become a recognized affiliate of your local United Way office.

The *LIVE UNITED* logo represents our commitment to work in partnership with you, the non-profit community, to reach out and help those in need and to bring positive influence into communities where it is needed most. When we LIVE UNITED, we have a greater chance of achieving the common good.

If selected for funding and/or affiliate status, your organization has access to many benefits including:

Funding

During workplace campaigns, donors know that Kings United Way affiliates have been vetted and that funds donated to those organizations will serve an important purpose in our community.

Capacity Building Assistance/Workshops

Kings United Way provides capacity building assistance, including workshops, throughout the year on a variety of topics pertinent to non-profit leadership and operations.

Volunteer Human Resources

Get Connected of Kings United Way is a virtual volunteer center where non-profit agencies can post volunteer needs. *Get Connected* is used to bridge the agencies that need help with the community volunteers willing to provide help.

Community Resource Linkage through 211

Call Click Click Download Text Live Chat Access to community services is available 24 hours per day, every day of the year. Services are available by telephone in over 150 languages by dialing 2-1-1, on the web at <u>www.211kingscounty.org</u>, on the 211 Mobile App Intelliful™, by texting your zip code to 898211 and through live chat on the 211 website.

Kings County Referral Exchange (The Referral Exchange)

The Referral Exchange is a vital tool comprised of multidisciplinary network partners that use a shared language, a resource database, and an integrated technology platform to deliver enhanced community care planning. Care planning tools enable partners to integrate data from multiple sources and make bidirectional referrals to create a shared longitudinal record. By focusing on these core components, the Referral Exchange enables communities to shift away from a reactive approach to providing care toward proactive, holistic, person-centered care.

Kings United Way is pleased to use various social media platforms to promote our affiliates and community partners.
